

Starting Immediately Residents that live on Bamberger Drive will be able to use a temporary road to leave their community and travel west and then use 700 east to travel north or south. Access onto 1100 east will be limited at times over the next three weeks as construction takes place on Bamberger. Residents in the purple highlighted community will be able to use Bamberger and will be directed either east or west depending on construction. Residents in the orange highlighted community are encouraged to access their community off of 900 East and then 50 south.
