In consideration of granting said permit, I hereby specifically agree to each of the following conditions and specifically waive all objections thereto:

- This permit is non-transferable or assignable from one person or proprietor to another or from one location to another location. If the information required in the permit application changes, a new permit is required before the business may continue to act as a retailer and/or manufacturer.
- Possession of a valid permit under the Regulation for Retail Sale of E-cigarettes, Electronic Nicotine Delivery Systems, Electronic Nicotine Delivery Systems Paraphernalia and E-Liquid and the Manufacturing of E-Liquid does not entitle the holder to engage in an activity which is otherwise prohibited by the law.
- All businesses and premises operated pursuant to said permit will be conducted and maintained in accordance with all relevant health statutes, ordinances, rules and regulations.
- The Utah County Health Department shall conduct an investigation and/or inspection of the place of business where E-cigarettes, Electronic Nicotine Delivery Systems, and Electronic Nicotine Delivery Systems Paraphernalia, and E-liquid retailing and/or manufacturing are to occur. If it is found that all provisions of this Regulation and all applicable laws have been and will be complied with, the Department shall issue the permit; otherwise, the application for permit shall be denied.

I understand and agree that violation of this application agreement may result in suspension, termination, or non-renewal of said permit.
